Scholarship Application Form

Guidelines

Details of individual scholarships are available on our website (www.bournemouth.ac.uk/scholarships).

Please read the individual scholarship criteria carefully before completing your scholarship application form and ensure that you only apply for those scholarships that you are eligible for, and for which you meet the criteria.

You can use this application form to apply for multiple scholarships. You can apply for any number of scholarships, however if your application is successful, you will only be awarded one scholarship.

You do not need to send any transcripts or qualifications with your scholarship application form. You may, however, wish to enclose other supporting documentation.

Please ensure that your application is clear and legible.

Applications should only be submitted once you hold an offer of a place on a BU course. All scholarships have a deadline for applications which can be found on the website above. Late applications may be considered if funds remain.

Please contact askBU Student Service if you have any queries regarding BU Scholarships, and submit completed application form to the address below by email or post:
